About me & us

It has always been my dream to be a tour guide in my home country of Seychelles. I love nature, I love people, I love Seychelles. I am a Seychelloise, born and raised in the Seychelles.

In 2018, the time finally came. I decided to join a tour guide certification program opened by the government after years of organising tours privately for family, friends and their friends.

I love hiking and trails

Hiking is my passion. I have discovered so many small and big hikes and trails over the years that I would like to show everyone. Beaches and the water are also made for me, whether for recreation, sport or a beach party.

We love what we do

Hiking, Tour Guide & Island Tours in the Seychelles. Licensed by the government and certified by the Seychelles Tourism Board. My team and me speak English, French and German. We are happy to offer very individual tours and walks for you. We can organise birthdays, engagements, weddings on the beach with Creole flair, food & drinks for you.

Private Tour to Anse Major

We have certainly walked this tour to Anse Major over 1000 times in the last 10 years and we are still fascinated by this beautiful hike to this day. In terms of outdoor activities on Mahé, this hike, which can also be described as a walk, is a highlight in the Seychelles.

The guided tour to Anse Major is easy to walk and doable even in bad weather. You have a great view of various bays & of the northwest of Mahé.

The green nature in the jungle to be crossed is not dangerous.

Children from the age of 5 will be equally enthusiastic, as there is a lot to see & discover. We may even see a real flying fox up close and feed it.

Tour itinerary

The tour to Anse Major is probably the most popular hike in the Seychelles, especially on Mahé.

Especially because the hike can be done with just a little effort, you see a lot of the west coast, such as the Silhouette & North islands, the Cinnamon Forest and some more viewpoints, the tour is a lot of fun.

The hike takes about 3 hours (out and back). You will have the opportunity to swim in Anse Major, take photos or just discover the magnificent bay.

Afterwards, we will hike back and take you to your starting point or to a place of your choice on Mahé.
